BOARD REVIEW OF THE PCPS NORTH EXPANSION PROJECT BID SPECIFICATION

VPS architect George Link provided an extensive review of the plan and bid specification for the PCPS North expansion and renovation project. Board members provided valuable input into the project and asked clarifying questions about the plan such as roof pitch, cafeteria/kitchen size, gymnasium space, and classroom design and furnishings.

APPROVAL OF THE PCPS NORTH EXPANSION PROJECT BID PACKAGE

Upon a motion by lunghuhn and second by Bingham, the board unanimously approved the bid package/specification for the PCPS North Expansion project.

OTHER

George Link provided information to the board on the reconstruction of tennis courts. The plan called for raising the elevation of the tennis courts in their current location and doing a full reconstruction of

the courts, including the playing surface, nets, and fencing. The lights would be reused. The board tabled the plans to evaluate the possible relocation of the tennis courts to an alternative location.

TOUR OF THE NORTH GIBSON TRANSPORTATION FACILITY

Following adjournment the board and community were invited to tour the North Gibson Transportation Facility.

ADJOURNMENT

Upon a motion by lunghuhn and second by Christy, the board unanimously approved adjournment of the special board session.

*******No executive session was held prior to or after this special board session.**
